

Eurosmart® **new**

Smart Looks, Smart Features

Featuring a solid metal handle and forward-leaning dynamic lines, the new Eurosmart is the perfect addition to all contemporary bathroom settings. The name Eurosmart says it all: smart looks, smart technology and a smart price. This high-quality faucet incorporates the following enduring performance features:

- The smooth, precise action of **GROHE SilkMove®** ceramic cartridge technology for effortless water control
- Enhanced even further with **GROHE WhisPer®** technology...you won't hear anything but the water hitting the bottom of the sink

Eurosmart is available in deep, lustrous **GROHE StarLight®** chrome.
